The new Owner shall notify the Association and Declarant of the recording of the deed or other instrument establishing record title and shall furnish the Association and Declarant a certified copy of such instrument.

ARTICLE VI

Covenants for Maintenance Assessments

Section 1. Purpose of Assessments. The assessments levied by the Declarant shall be used in the sole and absolute discretion of the Declarant for the purpose of promoting the recreation, health, safety and welfare of the residents in Oak Run; constructing, maintaining, operating, repairing and replacing improvements on the Common Areas and Recreational Areas; enforcing compliance with the Covenants and Restrictions; and for the maintenance, operation, repairing and replacing of properties, services and facilities which have been constructed, installed or furnished, or may subsequently be constructed, installed or furnished, which are devoted to the purpose and related to the use and enjoyment of the Common Areas and Recreational Areas including, but not limited to, the payment of taxes, and insurance thereto, on the Common Areas and Recreational Areas, and repair, replacement and additions thereto, and for the cost of labor, equipment, materials, management and supervision thereof. Owners acknowledge that the payment of this assessment is a fee for those services provided by the Declarant and is not intended to represent a prorata share of actual expenses and the Declarant is entitled to retain any excess amounts collected from the Owners over cost and expense in providing such services.

Section 2. Assessments. Each Owner of any Homesite by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, hereby covenants and agrees to pay to the Declarant:

(1) An annual assessment payable in advance in equal monthly installments on the first day of each month. Such assessment shall be for any costs and expenses relating in any way to any of the items described in Section 1 above other than for road and drainage (which is subject to a specific assessment as described in subsection (3) below).

(2) Special assessments that the Declarant deems appropriate for violations of the Declarations and damages resulting therefrom as provided in this Declaration.

(3) Road and drainage assessments, such assessments to be fixed, established and collected from time to time for the maintenance and repair of the roads and drainage areas and facilities of the Common Areas in perpetuity. These funds will be deposited in an interest-bearing escrow account and will be withdrawn by Declarant in its sole and absolute discretion only for the maintenance and repair of any and all such roads and drainage areas.

(4) The collection of garbage and trash included in the Annual Assessment are subject to factors beyond the control of the Declarant. The Declarant reserves the absolute and sole right in its discretion to change the allowable composition of garbage and trash and the frequency of pick up as may be required and is determined in its sole discretion from time to time. Provided however, that in no event shall Declarant not provide for at least a one day a week pick up of household garbage.

The Declarant shall not be required to pay any assessments whether annual, special or road and drainage easements, for any Homesites or any other property it owns in Oak Run. The Declarant shall instead be obligated to pay costs and expenses properly incurred in excess of amounts collected from Owners other than the Declarant for regular annual assessments. The Declarant shall be entitled to retain any excess of amounts collected from Owners over costs and expenses as a return on investments.

All such assessments, together with such interest thereon and costs of collection thereof including, without limitation, reasonable attorneys' fees incurred by the Declarant incident to the collection of such assessments whether or not judicial proceedings are involved, and appeals, if any, shall constitute a continuing lien upon the Homesite against which each such assessment is made. Said lien shall be effective from and after the time of recording a claim of lien in the Public Records of Marion County, Florida, and the lien shall continue in effect until all sums secured by the lien shall have been fully paid. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien. Each such assessment, together with interest thereon and cost of collection, including without limitation, reasonable attorneys' fees incurred by the Declarant incident to the collection of such assessment whether or not judicial proceedings are involved, and appeals, if any, shall also be the personal obligation of the person who is the Owner of such Homesite at the time the assessment is due and payable. No assessments may be offset by any claims by any Owner or the Association against Declarant for any reason.

Section 3. Delinquent Assessments. If any annual assessment or installment thereon is not paid within thirty (30) days after the due date, a late fee may be charged by the Declarant, and the Declarant may accelerate the remaining installments of the regular annual assessment for that calendar year which otherwise would not be due, and declare the entire assessment as to that delinquent Owner due and payable in full as if the entire amount was originally assessed. Interest shall accrue on any unpaid assessment whether or not accelerated, at the highest rate allowed by law. Accounts delinquent in excess of sixty (60) days or those twice delinquent more than thirty (30) days may be charged for the annual assessment for the next calendar year in advance and shall be subject to the same collections, lien and foreclosure proceedings as otherwise provided for herein. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas, the Recreational Areas, or abandonment of his Homesite.

Section 4. Rights of Declarant to Collect Delinquent Assessments. Liens for assessments may be foreclosed by suit brought in the name of the Declarant in like manner as a foreclosure of a mortgage on real property. The Declarant may also sue to recover a money judgment for unpaid

assessments against the Owner personally obligated to pay same without waiving the lien securing same.

Section 5. Method of Setting Annual and Road and Drainage Assessments. The Annual and Road and Drainage Assessment shall be initiated, increased or decreased in accordance with the following provisions:

(a) The Annual Assessment may be initiated, increased or decreased by the Declarant after considering current construction, operation, maintenance and repair costs and expenses and estimated future construction, operation, maintenance and repair costs and expenses. The initial Annual Assessment for each Homesite arc subject to the terms and provisions of this Declaration shall be \$1,107.00 per annum, payable in advance in equal monthly installments of \$92.25 per month on the first day of each month, until January 1, 1997. Thereafter, the Annual Assessment may be adjusted in a sum equal to the percentage of the increase or decrease of the Consumer Price Index, averaged out for the preceding twelve (12 month period). The Consumer Price Index referred to herein shall be the Consumer Price Index, U. S. Average of Items and Foods, published by the Bureau of Labor Statistics of the U. S. Department of Labor.

(b) The road and drainage assessment shall be determined, paid, collected and enforced in the same fashion as the Annual Assessment. The initial road and drainage assessment for each Homesite subject to the terms of this Declaration shall be \$81.60 per annum, payable in advance in equal monthly installments of \$6.80 per month until January 1, 1997.

Section 6. Special Assessments. Special assessments may also be collected and enforced as provided in Article XVI.

Section 7. Certificate of Assessment Liability. Upon demand, the Declarant shall furnish a certificate in writing signed by an officer of the Declarant to any Owner liable for an assessment. The certificate shall state whether said assessment has been paid and shall be conclusive evidence of payment of any assessment therein stated to have been paid.

Section 8. Allocation of Assessments Among Homesites. The allocation of annual, road and drainage assessments, (but not special assessments incurred as a result of violation of the Declaration, Articles of Incorporation and By-Laws) shall be set so that all Homesites shall be assessed at an equal rate, except the Declarant shall not be required to pay any assessments for the Homesites it owns.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charges and liens created herein:

(a) Any parcel of property which serves as an easement or which is dedicated and accepted by a local public authority and devoted to public use.

(b) All Common Areas as defined in Article I, Section 1(b).

(c) All portions of The Properties owned by the Declarant or in which the Declarant has an interest.

At such time as Declarant in its sole and absolute discretion shall determine, Declarant may in lieu of continuing to serve as the ARB, create a committee which shall thenceforth be and constitute the ARB. In the

event a member of such committee resigns or becomes unable to serve thereon, the Declarant shall appoint his or her successor.

Section 2. Review by Architectural Review Board. In order to enhance, maintain and preserve values of The Properties and all Living Units and Homesites located therein, and subject to Section 8 below, no building, fence, wall, or other structure or improvement (including landscaping) shall be commenced, painted, erected or maintained upon The Properties, nor shall any exterior addition to or exterior change or alteration be made to any previous improvement on a Homesite nor shall any awning, canopy, shutter, or antenna be attached to or placed upon outside walls or roofs of buildings or other improvements, until the plans and specifications showing the nature, kind, shape, height, materials, color selection, and location of the same shall have been submitted to and approved in writing as to harmony of exterior design and location in relation to surrounding structures and topography by the ARB and until the ARB has received assurance acceptable to it that any damage to the Properties as a result of such additions or alterations will be repaired in a timely fashion. The ARB shall review such information to determine harmony of exterior design, color and location in relation to surrounding structures and topography. The ARB may condition its approval of proposals and plans and specifications as it deems appropriate, and may require submission of additional plans and specifications or other information prior to approving or disapproving material submitted. The ARB may also issue rules or guidelines setting forth procedures for the submission of plans and specifications submitted for its review as it deems proper including, without limitation, floor plans, site plans, drainage plans, elevation drawings and descriptions or samples of exterior materials and colors. Upon receipt by the ARB of any required plans and specifications, the ARB shall have thirty (30) days after delivery of all required materials to approve or reject any such plans, and if not approved within such thirty (30) day period, said plans shall be deemed rejected. The ARB's approval or disapproval as required in these covenants shall be in writing. All changes and alterations shall also be subject to all applicable permit requirements and to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees.

Section 3. Approval Not to be Construed as Waiver. The approval by the ARB of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the ARB, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters whatever subsequently or additionally submitted for approval or consent.

Section 4. Architectural Review Board Expenses. The members of the ARB shall receive no compensation for services rendered, other than reimbursement for expenses incurred by them in the performance of their duties hereunder.

Section 5. Inspection by Architectural Review Board. Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon completion of any work for which approved plans are required under this Article, the Owner shall give written notice of completion to the ARB.

(b) Within thirty (30) days thereafter, the ARB or its duly authorized representatives may inspect such improvement. If the ARB finds that such work is not effected in substantial compliance with the approved plans, it shall notify the Owner in writing of such non-compliance within such thirty (30) day period, specifying the particulars of non-compliance. The thirty (30) day period shall not commence to run until the ARB receives from the Owner, a notice of completion. The ARB may in its discretion inspect the improvements while the same are being made or constructed or upon completion and notify the Owner of non-compliance even if the Owner has not given the ARB notice of completion.

(c) The ARB, if it is composed of other than the Declarant, shall simultaneously, upon notifying the Owner, notify the Declarant in writing of the non-compliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a non-compliance exists, as determined in the sole and absolute discretion of Declarant, the Declarant shall notify the

Owner to remedy or remove the same within a period of not more than forty-five (45) days from the date of delivery to such Owner of notice of the Declarant's determination of non-compliance. The Owner shall be obligated to comply with such notice, and if the Owner does not comply with such notice within such period, the Declarant, at its option, may either remove the non-complying improvements or remedy the non-compliance and the Owner shall reimburse the Declarant after delivery by Declarant to the Owner of written notice thereof for all expenses incurred in connection therewith. If such expenses are not paid by the Owner to the Declarant within fifteen (15) days of such notice, the Declarant shall levy a special assessment against such Owner for reimbursement.

(d) If for any reason the ARB fails to notify the Owner of any non-compliance within thirty (30) days after receipt of said written notice of completion from the Owner, the improvement shall be deemed to have been made in accordance with said approved plans.

(e) If an Owner does not obtain the approval of the ARB as provided herein, and proceeds to make any improvements on a Homesite which require ARB approval, the ARB upon actual discovery of such improvements may within thirty (30) days of such discovery approve them as being in accordance with the requirements for approval, or the ARB may within said thirty (30) day period notify the Owner in writing of the non-compliance of those improvements. The ARB shall then proceed as is provided in Section 5(c), Article VII.

Section 6. Limitations on Architectural Review Board Liability. Neither the ARB, including without limitation the Declarant when acting as the ARB, nor any member thereof, nor the Association shall be liable to any Owner or any other person or entity for any loss, damage or injury arising out of or in any way connected with the performance or non-performance of the ARB's duties hereunder, unless due to the willful misconduct of a member and only the member engaging in such willful misconduct shall have any liability in such event. The ARB shall review and approve or disapprove all plans submitted to it for any proposed improvement, alteration or addition solely on the basis of aesthetic considerations and the overall benefit or detriment which would result either in the immediate vicinity of such Homesite or to The Properties in general. The ARB shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any plan or design be deemed approval of, any plan or design from the standpoint of structural safety, warranty of design, or conformance with building or other codes.

Section 7. Variances. The ARB may authorize variances from compliance with the architectural provisions of this Declaration when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations require. Such variances must be evidenced in writing. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matters for which the variances were granted. The granting of such a variance shall not, however, operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular property and particular provisions hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all governmental laws and regulations affecting his use of the premises including, but not limited to, zoning ordinances and set-back lines or requirements imposed by any governmental or municipal authority, nor to obtain a similar variance from other architectural committees having jurisdiction.

Section 8. Exemption of Declarant. The Declarant shall be exempt from the provisions of this Article VII and all subparts thereof with respect to improvements, alterations and additions which Declarant determines to make in The Properties and this shall be so whether said improvements are to the Living Units and Homesites or are in relationship to the Common Areas.

Section 9. Attorneys' Fees and Costs. For all purposes necessary to enforce or defend or construe this Article, the ARB, and the Declarant shall be entitled to collect reasonable attorneys' fees, costs and other expenses from the Owner whether or not judicial proceedings are involved, and such amounts shall constitute a lien against the Owner's Homesite enforceable as provided in Section 5(c) of this Article.

ARTICLE VIII

Maintenance

Section 1. Maintenance by the Owner. Unless designated as a responsibility of the Declarant in Section 2 of Article VIII, each Owner is responsible for maintenance in good order, condition or repair of the interiors and exteriors of Living Units and of all mechanical equipment, plumbing and electrical facilities located on a Homesite servicing the Living Unit thereon, and any pool, hot tub, spa or similar facility located on a Homesite, and any equipment and appurtenances. The Owner shall promptly perform such maintenance on items such as driveways and roofs, so as to keep the Living Unit and Homesite in a good state of repair and in conformity with the aesthetic standards required from time to time by the ARB. No Owner shall in any way maintain, modify or improve any areas for which the Declarant has the responsibility for maintenance without the prior written consent of the Declarant.

Section 2. Maintenance by the Declarant. The Declarant shall be responsible for the exclusive maintenance, and repair of the following:

(a) Lawn and Shrubs. The Declarant shall maintain and care for those lawn and shrub areas within The Properties which are a part of the Common Areas and Recreational Areas other than areas within utility and road easements over Homesites, which shall be the responsibility of the Owner under Section 11 of Article IX. Such maintenance by the Owner shall be limited to mowing, trimming and edging of lawns and shrubs. The Declarant, in its sole discretion, shall determine the need for replacement and/or improvement of landscaping, lawns and shrubs.

(b) Private Roads, Walkways, Parking Areas and Paths. The Declarant shall maintain and repair all private roadways, walkways, parking areas, paths and drainage areas, if any, throughout The Properties. In the event any such roadways, walkways, parking areas, path or drainage areas are damaged as a result of the negligence of an Owner, or his family, guest, licensee, invitee, or tenant, the Declarant may repair or replace such damage and demand reimbursement from such Owner by delivery of written notice thereof. If such Owner does not reimburse Declarant within fifteen (15) days of such notice, then Declarant may levy a special assessment against the Owner for reimbursement, as provided in Section XVI.

Section 3. Declarant May Contract for Services. The Declarant may contract for the management of all or part of The Properties for purposes of carrying out all or a portion of the maintenance services provided for in this Declaration. The Declarant may contract with public or private utility companies, including without limitation a private utility company with which Declarant is affiliated or controls, for purposes of supplying utility services to The Properties and the costs and expenses charged by such utility companies shall be separately billed to the Owner of a Homesite by such utility companies and shall not be included in the annual assessments.

Section 4. Maintenance of Fences. Any fences surrounding any common areas or the project boundary of The Properties shall be maintained by the Declarant, and a perpetual easement of ingress and egress of the Homesites and Living Units abutting the fences is hereby granted to the Declarant for purposes of construction and maintenance activities related to any such fences.

ARTICLE IX

Restrictive Covenants

Section 1. The Properties Subjected to Restrictive Covenants. In addition to other restrictions, reservations and conditions set forth elsewhere in this Declaration, The Properties shall be subject to the following restrictions, reservations and conditions, which shall be binding upon each and every Owner, with the exception of the Declarant, who shall acquire hereafter a Homesite

or any portion of The Properties, and shall be binding upon their respective heirs, personal representatives, successors and assigns.

Section 2. Residential Use. No Homesite shall be used for any purpose except for residential purposes, and shall have a maximum of four (4) people as permanent residents of each Living Unit. No structures or additions shall be erected, altered, placed or permitted to remain on any Homesite within The Properties other than one Living Unit, a private attached garage or carport, and structures and additions such as swimming pools, attached screened enclosures and patios (as approved by the ARB), except in the case where the Declarant determines in its sole and absolute discretion to modify the use of a Homesite to use as Common Areas. Such modification may be made by the Declarant amending this Declaration without the necessity of joinder by any Owners or mortgagees of Homesites. All such structures shall be attached to the Living Unit, it being specifically intended hereby to prohibit all free standing structures and additions. Nothing contained in this Declaration shall preclude the Declarant or its agents or employees from maintaining offices on a Homesite or elsewhere in The Properties for the purposes of promoting the sale of Homesites and Living Units within The Properties and for purposes of the operation and administration of Oak Run and any other activities allowed to Declarant under this Declaration, and Declarant and its agents and employees shall have access to and use of the Common Areas and Recreational Areas to facilitate such sales. In addition, Declarant shall have the right to allocate a portion or portions of The Properties for commercial purposes and/or multi-family purposes and to construct improvements on such portion or portions for such purposes; such areas shall not be common Areas or Recreational Areas but shall be owned by Declarant and be subject to such portion of this Declaration as Declarant in its sole and absolute discretion shall determine.

Section 3. Ownership Conveyance. No Owner of a Homesite or Living Unit shall convey an ownership interest in their lot or lots less than that which they own. Notwithstanding the provisions of this paragraph, the Declarant may from time to time designate certain lots in The Properties for use or uses as parks, recreational areas, office facilities, utility facilities, storage facilities, and vehicular and equipment parking and storage facilities.

Section 4. Subdividing Homesites. No Homesites or Living Units shall be subdivided or divided into any parcels, tracts or lots smaller in size than that which was originally conveyed by Declarant to the initial Owner. No Homesite shall contain more than one Living Unit. Declarant reserves unto itself the right to subdivide, redivide and/or divide into parcels, tracts or lots, that part of The Properties which may be used for commercial or multi-family purposes by the Declarant.

Section 5. Increasing Size of Homesite. No tract shall be increased in size by filling in any waterway, drainage area, lake or canal on which it may abut, except by Declarant.

Section 6. Temporary Structure Not to be Used as Residence. No structure of a temporary character, trailer, boat, motor home, recreational vehicle, tent, shack, garage, barn or other outbuilding shall be erected or placed on any Homesite at any time, nor shall anything other than the Living Unit be used as a residence, either temporarily or permanently.

Section 7. Modifying Structures. No Owner in The Properties shall change, alter, modify, add to or delete from any existing structure on his Homesite without first receiving written permission from the Declarant. No structure, building, swimming pool, or addition to any Living Unit including additional concrete or asphalt installations shall be erected, constructed or placed on any Homesite without the prior written consent and approval of Declarant.

Section 8. Excavating and Clearing Land. No bulldozing or clearing of trees from the land conveyed or excavation of lakes or ponds shall be commenced until the plans and specifications showing the nature, kind, shape and location of work to be done and the grading plans of the plot to be built upon shall have been submitted to and approved in writing by the Declarant, and a copy thereof, as finally approved, lodged permanently with the Declarant. Any tree which is more than three inches in diameter measured at a height of four feet and/or five feet in height may not be removed unless written approval has been granted by the Declarant.

Section 9. Improvement Completion Time Frame. Unless specifically excepted by Declarant, in writing, all improvements for which an ARB approval for construction has been issued shall be completed within six (6) months of the issuance of said approval. In the event the approved improvements are not completed within six (6) months of the date of the approval, prior approval of the ARB shall be deemed null and void, and such improvement in process shall be considered as being without approval and, therefore, in non-compliance with the Restrictive Covenants contained within this Article.

Section 10. Rights of Way and Lawn Care. Owners shall keep, at all times, their Homesites and any easements located on or adjacent thereto (including front, side and rear road and utility easements), mowed to the edge of the pavement, or the Homesite, as applicable, and in a neat, clean and orderly condition. All grass and shrubs must be watered and fertilized as necessary in order to keep lawns and shrubbery green and in a live condition. Declarant may, in its sole discretion, set lawn and shrubbery watering times for all Homesites in Oak Run. In the event the Owner of any lot fails to do so, the Declarant reserves the right to enter upon said lot and care for the same by cutting and/or cleaning said lot, and shall deliver written notice to such Owner demanding reimbursement for the cost of such care. Should the Owner of any Homesite, within fifteen (15) days of delivery of such notice, fail to reimburse Declarant, Declarant shall levy a special assessment against such Owner for reimbursement, pursuant to the provisions of Article XVI.

Section 11. Easements. Nothing shall be placed on any part of any Homesite which is reserved as an easement or right of way for street, road or walkway, utilities, or drainage if such shall interfere with the construction, use and maintenance of said roads, streets, walkways, drainage and utilities. In the event any structure, trees or other vegetation interferes with construction, maintenance or repair on such easement or right of way, the same may be removed by the Declarant, and the cost thereof shall be payable by such Owner to Declarant within fifteen (15) days written notice to such Owner. If said Owner shall fail to reimburse Declarant, Declarant shall levy a special assessment against such Owner for reimbursement pursuant to the provisions of Article XVI.

Section 12. Parking. No motor homes, recreational vehicles, boats, trailers, pick-up trucks or motor vehicles in excess of a 3/4 ton rating, shall be kept or parked on any Homesite in excess of twenty-four (24) hours during any calendar month except in a garage or other areas which may be designated by the Declarant in its discretion for such use. All commercial motor vehicles, travel trailers, motor homes, boats and trailers must be parked and/or stored by their owners in designated parking areas to be provided by the Declarant. The Declarant may charge a reasonable fee for the storage and/or parking of the aforementioned vehicles, trailers, motor homes, boats and trailers in the designated parking areas. Said fee, if unpaid after fifteen (15) days from written notice delivered by Declarant to the Owner therefore shall be assessed as a special assessment by Declarant under the provisions of Article XVI and shall become a lien against the lot of the Owner of said vehicle, enforceable as provided in Article XVI. The parking and storage of automobiles shall be limited to the driveways of Homesites and other areas specifically designated by the Declarant. All vehicles must be parked on the concrete driveway of the Homesite. No vehicle may be parked on any right of way. No more than two automobiles may be parked on any Homesite at one time. The Declarant is specifically authorized to promulgate additional rules and regulations pertaining to parking, and the Declarant is specifically granted the right to enforce this provisions by the towing of vehicles in violation of these provisions at the expense of the Owner, which shall be due and payable by Owner within fifteen (15) days of receipt of written notice demanding reimbursement delivered by Declarant to Owner. If Owner shall fail to pay such amount within such time period, Declarant shall levy a special assessment under the provisions of Article XVI.

Section 13. Storage. No motor vehicles without current license plates shall be stored and/or parked anywhere on Oak Run. No items may be stored on a Homesite outside a Living Area, including without limitation, scrap metal, junk or salvage materials, items or articles whether the same be in the form of wrecked or junked vehicles, appliances, furniture, equipment, building materials, or lawn tools and equipment.

Section 14. Motor Vehicle Repairs. No Owner of any Homesite, a member of his or her family, guests, invitees, licensees, or tenants shall engage in the construction, reconstruction, repair

or maintenance of any motor vehicle, whether said motor vehicle is owned by the Owner or not except, however, the provisions of this paragraph shall not be construed to mean that a Homeowner may not wash and/or polish, change a tire, or change the oil on a motor vehicle which the Owner owns, on Owner's Homesite. All motor vehicles must be maintained so as not to create an eyesore or effect the aesthetic standards of Oak Run. There shall be no repair, assembling or disassembling of motor vehicles except inside the Owner's garage.

Section 15. Driveways. All driveways shall be maintained in the form and style originally established by the Declarant. Driveways will not be painted or covered with material other than approved by the ARB.

Section 16. Trash. No Homesite or any part of Oak Run shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste, to include yard trash, shall be bagged and tied and kept in covered sanitary containers in the garage or utility sheds, or in an approved enclosed space. On those days, and only on those days, when garbage pickups are made at The Properties, the Owners shall place their garbage (bagged and tied) on their Homesites and adjacent to the street for pick up no sooner than dusk, the day prior to pickup. All receptacles will be removed from curbside not later than two (2) hours after pickup. There shall be no burning of trash or any other waste materials on The Properties except as stated in Section 18. In the event trash must be collected from a receptacle servicing more than one Homesite to meet the requirements of the collection company or agency, all trash and garbage shall be in plastic bags and tied securely before being placed in the receptacle. In no event shall trash be placed outside the receptacle. The Declarant reserves the right during any construction by Declarant or otherwise to maintain a receptacle for garbage and trash on The Properties.

Section 17. Containers and Fuel Tanks. All garbage or trash containers, oil tanks or bottled gas tanks, shall be located at the rear of the structure served and shall be installed underground or within a walled-in area which is not visible from any street or adjoining property. Any such walled-in area shall be constructed in such a manner as to be inaccessible to dogs or other animals. All walled areas must be of a form and material approved by the ARB.

Section 18. Burning. No Owner shall burn any trash, debris or refuse, or allow any other person to burn trash, debris or refuse on any Homesite in Oak Run except, however, Declarant reserves unto itself the right to burn debris as a result of clearing and cleaning of any land in The Properties.

Section 19. Adult Residents Only. The Declarant has designated and developed The Properties for the purposes of providing a single family residential subdivision possessing an aesthetically attractive, quiet, comfortable environment conducive to a style of living desired by middle age or senior citizen persons. To assure all Owners that the heretofore mentioned environment shall remain constant, no persons under eighteen years of age shall occupy or permanently reside or live in any Living Unit except, however, members of an Owner's family under the age of eighteen (18) years may visit and stay with an Owner for a period of time not to exceed an aggregate of thirty (30) days in any calendar year.

Section 20. Signs. To preserve the aesthetic quality of The Properties, no signs, including signs advertising the sale or rental of any Living Unit, shall be placed or allowed to be erected or placed on any Homesite including window signs inside any Living Unit visible through any windows without the prior written consent of the Declarant. The Declarant reserves the right to grant and/or deny in its sole and absolute discretion, its consent. The Declarant, however, reserves unto itself the right to erect advertising signs on Homesites owned by the Declarant.

Section 21. Pets. No animals, livestock or poultry of any kind shall be raised, bred or kept on any Homesite, except that two dogs, cats or small house birds or other household pets may be kept on a Homesite, provided that they are not kept, bred or maintained for any commercial purpose, and provided further that no more than two (2) pets shall be kept on any Homesite at any time. Pets shall be on a leash at all times when outside the Living Unit. Dogs shall not be walked on grass other than an Owner's Homesite and in pet walk areas designated by the Declarant (if any). All pets

are prohibited in the Recreational Areas and on all Common Areas and Golf Club Facilities. Pets which are discovered outside of Owner's Living Unit and not on a leash and accompanied by the Owner or the Owner's agent shall be reported to the appropriate governmental agency, and shall be subject to being picked up. If, after receipt of written notice by the Declarant of a violation of the provisions of this paragraph, the Owner does not correct such violations, the Declarant shall be entitled to levy a special assessment against the Owner for the expenses incurred by the Declarant as a result of the violation, pursuant to the provisions of Article XVI hereof. Pet owners should clear and remove any fecal deposits made by their pets from any and all areas, including their Homesite. Pets must be maintained under the control of the Owner at all times.

Section 22. Business Activity. No business, commercial enterprise or business activity of any kind shall be carried on or conducted on or from any Homesites except those businesses, commercial enterprises and business activities exempted by the Declarant on Homesites or other portions of The Properties owned by the Declarant, as provided herein. Declarant reserves unto itself the absolute right to divide, subdivide or redivide such property and to utilize it for commercial purpose.

Section 23. Leases. All leases of Homesites and Living Units shall be restricted to residential use. All leases shall be in writing and the Declarant shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles of Incorporation and By-Laws of the Association, and applicable rules and regulations.

Each lease shall contain the following provision:

"The lessee hereunder acknowledges that this lease is subject to the Declaration of Covenants and Restrictions of Oak Run, Articles of Incorporation and By-Laws of Oak Run Homeowners Association, Inc., and Rules and Regulations provided thereunder, that lessee has read the same, agrees to be bound thereby, and that failure to comply with same may result in certain remedies being applicable to lessee, including without limitation termination of this lease, and personal liability of lessee for damages."

In the event the foregoing language is not contained in any such lease, then the foregoing language is hereby incorporated therein by reference. In the event a lessee or a lessee's invitee, guest or licensee of a Homesite occupies the same without a written lease, the occupancy thereof shall constitute an acceptance of this Declaration and an agreement to be bound thereby and subject thereto.

No lease shall be for a term less than three (3) months. Owners wishing to lease their Homesites and Living Units may be required by Declarant to place in escrow with the Declarant a sum as determined by the Declarant which may be used by the Declarant to repair any damage to the Common Areas and Recreational Areas or other portions of The Properties resulting from acts or omissions of tenants (as determined in the sole and absolute discretion of the Declarant). The Owner will be jointly and severally liable with the tenant to the Declarant for any amount in excess of such escrowed sum, if any, which is required by the Declarant to effect such repairs or to pay any claim for injury or damage to property caused by the negligence of the tenant. Any balance remaining in the escrow account, less an administrative charge as determined by the Declarant, shall be returned to the Owner within ninety (90) days after the tenant and all subsequent tenants permanently move out. The Declarant, at its option, shall be deemed the agent of the Owner for purposes of bringing any eviction proceedings deemed necessary by the Declarant. The Declarant shall have the right to collect attorneys' fees against any occupant or tenant and the Owner in the event that legal proceedings must be instituted against such occupant or tenant for his eviction or for enforcement of the Declaration. The Declarant is exempt from the provisions of this section.

Section 24. Fences. No fences shall be erected, constructed or placed on any lot without the prior consent of the ARB. No radio, television nor any other exterior electronic or electrical equipment, antenna, aerial, satellite receiver of "dish" or similar receiver shall be installed or maintained on the exterior of any Living Unit or structure on a Homesite or on any portion of any Homesite, subject to all applicable governmental laws, statutes, ordinances, rules, regulations, orders and decrees pursuant to Article VII, Section 2. This provision shall not restrict the right of the Declarant at its election to install a master antenna, cable television and security system in Oak Run.

Section 31. Services and Fees. The Declarant shall have the exclusive right to furnish to all Owners in The Properties security services, recreational facility services, garbage and trash collection services, all as the Declarant deems appropriate, and to charge a reasonable fee for providing said services, the fee for which shall be included in the annual assessment.

Section 32. Mailboxes. No mailbox or paper box or other receptacle of any kind for use in the delivery of mail, newspapers, or magazines, or similar material shall be erected by an Owner unless the size, location, design and type of material for said boxes or receptacles shall have been approved by the ARB, and said mailboxes shall contain only the name and address of the occupant of said lot. The replacement of all mailboxes and light posts must be of identical design as of that of the original. No Owner shall modify any Declarant-installed mailboxes or light posts without prior consent of the ARB. Nothing may be added or attached to the post structure or mailbox itself, including without limitation, other signs, flowers, decorations, and license plates.

Section 35. Clotheslines. It is prohibited to hang and/or dust garments, rugs or any other materials from the windows, balconies or from the exterior of any Living Unit. Outside clotheslines or other exterior clothes drying facility are prohibited except one portable umbrella type clothesline which may be used if desired. All clotheslines must be kept closed when not in use. Under all circumstances, all clotheslines must be located in the backyard only and within fifteen (15) feet of the Living Unit and such clotheslines may be used until 4:00 p.m. on weekdays only. Golf Course Homesites are subject to additional restrictions per Article X, Section 6.

No decorations or ornaments may be affixed to the exterior of any Living Unit or placed in any front yard of a Homesite. The Owner may, however, have seasonal decorations, such as Christmas decorations, for periods not to exceed two weeks prior to, and one week subsequent to, the holiday for which such decorations are applicable. Golf Course Homesites are subject to additional restrictions per Article X, Section 4.

Section 37. Landscaping. The ARB shall approve all plans for landscaping of any Homesite, prior to the Owner planting any shrubbery, trees or plants on any Homesite in The Properties. (b) The details of the non-compliance shall be presented to the Declarant at the time and place provided in the notice described in subsection (a), *supra*, at which meeting a hearing shall be conducted for the purposes of obtaining evidence as to the levying of a special assessment, in the event that it is determined that a violation has occurred. A written decision of the Declarant shall be submitted to the Owner not later than thirty (30) days after the hearing, after which, if Declarant determines that a violation has occurred, a special assessment may be levied against the Owner by the Declarant.

Each Living Unit Owner shall be required to reconstruct or repair any Living Unit destroyed by fire or other casualty, whether or not such destruction shall have been an insured loss. If Owner fails to repair or reconstruct a damaged unit, the Declarant may, at its sole discretion, replace unit and charge Owner all costs of repair or replacement. The plans and specifications for the repair or reconstruction of such Living Unit must be approved by the ARB. Such costs for repair or replacement will become a lien on the Homesite and if not paid within fifteen (15) days, after written notice thereof is delivered to the Owner by Declarant, the Declarant may levy a special assessment upon such Owner's Homesite pursuant to Article XVI.

ARTICLE XVIII

General Provisions

Section 1. Modifications. The Declarant reserves the right, in its sole and absolute discretion, to make modifications, clarifications, changes and interpretations of all restrictions and covenants contained herein, and the Declarant's determination shall be final.

Thereafter, these protective Covenants and Restrictions shall automatically be renewed for successive periods of ten (10) years, and shall remain in full force and effect, unless specifically revised or modified as set forth in Article XIV hereof. Failure of the Declarant, Owners or the Association, or any other that may be formed to enforce any of these Covenants and Restrictions shall not nullify any of the Covenants and Restrictions, or in any way be interpreted as a waiver by the Declarant, Owners or Association, of the right to object to and enforce by proceeding at law or in equity against any person or persons violating or attempting to violate any of the Covenants and Restrictions contained within this Declaration.

Section 5. Validity. If any portion of this Declaration is declared unconstitutional or if the applicability of this Declaration against any person or in any circumstances is held invalid, the validity of the remainder of the Declaration shall not be affected thereby.
