The owner or owners of such homesite or homesite and improvements thereon, when such offer is made, shall notify the President of the Association of the name and address of the Offeror and the amount of such offer made. The Association shall be responsible to notify the owner or owners within ten (10) days to exercise its right of first refusal. This right of first refusal shall not apply in the case of a foreclosure sale or other judicial sale; and shall not apply in the event the lending institution is the purchaser at such foreclosure or other judicial sale. However, this covenant shall apply to any person or persons who acquire any homesite from the lending institution subsequent to such foreclosure or judicial sale and the rights of the Association to the right of first refusal as set forth above shall again apply.

**24. CREATION OF LIENS AND PERSONAL OBLIGATION FOR ASSESSMENTS:**

The owner of any homesite, by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association.

1. Annual assessments or charges;
2. Special Assessments. The annual and special assessments, together with such interest thereon, and cost of collection thereof, as are hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the homesite against which each such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall also be the personal obligation of the person who is the owner of the homesite at the time when the assessment fell due. The aforementioned assessments shall be used exclusively for the purpose of promoting the recreation, health, safety and welfare of the residents of the properties, and in particular, for the improvement and maintenance of properties, services and facilities devoted for this purpose and related to the use and enjoyment of the community areas.

a.) ANNUAL ASSESSMENT:

The maximum annual assessment shall not be more than Sixty Dollars (\$60.00) per year per homesite, whether improved or unimproved. The maximum annual assessment may be changed provided that any such change shall have the assent of two-thirds of the votes of the membership voting in person or by proxy at a meeting duly called for this purpose and at which a minimum of not less than fifty-one percent (51%) of the members in good standing shall be present or voting by written proxy. Written notice of any such meeting shall be sent to all homesite owners not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The Board of Directors of the Association may, after consideration of the current maintenance costs and future needs of the Association, fix the actual annual assessment for any year at a lesser amount than hereinbefore provided. In any event, the Board of Directors shall fix the amount of the annual assessment against each homesite at least thirty (30) days in advance of each annual assessed period. The assessment year shall commence on the first day of July in the year following the year in which title to the homesite was acquired, and shall be due and payable in advance on the first day thereof.

b.) SPECIAL ASSESSMENTS:

In addition to such annual assessments, the Association may levy, in any assessment year, a special assessment, applicable to that year only, for the purpose of defraying in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement on the community areas or facilities, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds of the members in good standing who are voting in person or by written proxy at a meeting duly called for this purpose and at which a minimum of not less than fifty-one percent (51%) of the members in good standing shall be present or voting by written proxy. Written notice of any such meeting shall be sent to all homesite owners not less than thirty (30) days nor more than sixty (60) days in advance of the meeting setting forth the purpose of the meeting. The due date of any such special assessment shall be fixed in the Resolution authorizing such assessment.

c.) DELINQUENT ASSESSMENTS:

Any annual or special assessment which is not paid when due shall be deemed delinquent. If such delinquent assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of six (6%) percent per annum and the Association may bring legal action against the owner, personally obligated to pay said assessment, or may enforce the lien against the property, and interest, costs and reasonable attorneys fees of such action shall be added to the amount of such assessment. Such delinquency shall act to suspend the voting rights and privileges of any such delinquent member and shall further act to suspend said delinquent owner's privileges, rights and entitlements to use the community areas and facilities until such time as full payment of all delinquent assessments, together with all interest, costs and other fees being then in arrears, shall be paid in full. Any such delinquent assessments shall continue as a lien on the homesite which shall bind such homesite in the hands of the then owner, his heirs, devisees, personal representatives, successors, and assigns.

d.) EXEMPTION:

The Developer shall be exempted from the aforementioned Annual and Special Assessments on any and every unsold homesite titled in the name of the Developer at the time said assessment becomes due and payable.

## **25. MEMBERSHIP:**

Every member, as hereinbefore defined, shall be entitled to vote a maximum of two votes per homesite, whether said homesite is improved or unimproved. Every such member shall be entitled to participate and vote in all Association affairs during such period as said member is considered in good standing. All members, including those persons residing with any member or members on any homesite, and every tenant or lessee of every member, shall have a right and easement of enjoyment in, over and to the community areas, and such easements shall be appurtenant to and shall pass with the fee simple title to every such homesite; subject, however, to obligation of each such person hereinbefore described, to abide by these Covenants and Restrictions and any and all articles, rules and by-laws of the Association. Said rights and easements of enjoyment created hereby shall be subject, however, to the following:

b.) The right of the Association, as provided in its Articles and By-Laws, to suspend the enjoyment of the rights of any member, for any period during which any assessment remains unpaid, and for any period not to exceed thirty (30) days for any infraction of its published rules and regulations;

c.) The right of the Association to limit the number of guests of any member of the Association to use any of the community areas and easements;

d.) The right of the Association to levy and collect annual and special assessments as more fully provided for hereinbefore;

e.) The right of the Association to purchase, lease or otherwise acquire the leasehold title of any property and/or improvements thereon as the Association shall deem necessary or desirable for use by the members of the Association for recreational purposes, and upon such terms and conditions and with such covenants and restrictions as the Association shall deem proper, all in accordance with its By-Laws.

f.) The right of the Association to engage, develop, form, control and finance a security patrol for the Harbor Hills Development.

## **26. DEDICATION:**

Said assessment shall be collected by the Yacht Club and paid to the Association.

**29. ENFORCEMENT:**

Enforcement of these Covenants and Restrictions by the Association or by any record title owner of any homesite in Harbor Hills shall be by proceedings at law or in equity against any person or persons violating or attempting to violate same and shall be to enjoin said violation or to recover damages therefrom.

**30. INVALIDATION:**

In the event any of these covenants and restrictions be declared invalid by any judgment or other order of any court, said invalidation shall in no wise affect any other of these covenants and restrictions, which shall remain in full force and effect.
